Dimplex® outdoor Living™

# Electric Umbrella Heater

PUH1500

When there's a chill in the air, count on the Dimplex umbrella heater to keep the good times going. Bringing you carefree evenings of clean, quiet warmth and the convenience and safety of 100% efficient, electric operation.

- Attaches to almost any size patio umbrella without removing the umbrella from its base.
- Each of the three elements function independently to provide directional heat.
- Arms fold closely to the umbrella pole for easy storage – heat automatically turns off.

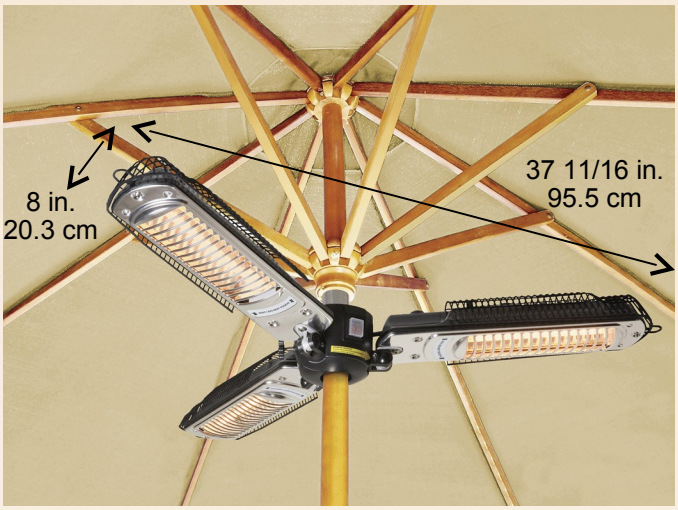
Attaches easily

Quartz radiant element

Folds for easy storage

## Heater

- Quartz radiant elements warm like the sun – heating people and objects rather than air
- Silent operation, no moving parts
- Provides 1500 watts of clean, safe heat without combustion
- Weatherproof design allows for year-round operation
- 7.9ft / 2.4m plug-in cord
- 120 Volts / 1,500 Watts / 5,100 BTU



Arms fold for easy storage

safe clean green™ No carbon monoxide or emissions, glass stays cool-to-touch
